

Breakfast & Supper Club

Welcome to the Autumn newsletter!

October 2017

It has been fantastic start to the new club here at Bishop Wood and we want to thank all the children for the fun and energy they have brought to the club.

### What have we been up to?

Since the start of term we have been doing everything from making lava lamps & pizzas to Lego competitions & slime!

You can always keep track of what we have been up to on our Bishop Wood Blog - if you click on our icon on the website, you will find us there!

We are passionate that the club belongs to the children so we always encourage their suggestions and ideas and although we have a weekly play plan, below is just some of the activities they have created themselves so far...

- Pool competitions
- Lego towers and princess houses.
- Gymnastic displays
- Football skills (We may have the next Beckham!)
- Kapla structures (Our French building block system)

The children have a suggestion book at the club so have a peek next time you're in as they have lots of fab ideas.
