

**Welcome to the Summer
newsletter!
May 2018**

The term has started with such beautiful weather and we have already had our first picnic tea outside! The children have loved the freedom of being outside and playing all different sports from cricket and rounders to football and tennis.

This term we have done so many activities from baking our own bread to giant straw modelling, which have been loved by all. The children are becoming quite the table tennis champions and don't pick up a snooker cue unless you're at Crucible standards. Although we missed Easter due to half term there was still time to sneak in some Easter cakes and bird feeders for the spring!

We were delighted to be included in the Bishop Wood 12-hour relay on the 16th March and well done to all our supper club children who ran again for another hour! We were delighted to take the 4.30pm slot with all our staff and children and a big well done to Mr Ashton who completed his 26th mile when running with us! Marathon Man!

As you know we have our "voice of our children" book where the children write their suggestions and some children have requested scooters and skateboards! What do you think? Drop in and let us know!

Family BIG Breakfast!

Thank you to all the parents who joined us on our family big breakfast. It was a great success with many parents and children joining us for breakfast. The children loved being able to enjoy breakfast club with their parents, siblings and grandparents! We do appreciate how busy all our parents are so a huge thank you to all those who came along and your positive feedback.

Time to get planting!

We are delighted that the weather has finally remember it is summer and we can start planting. We are going to start a vegetable patch with Mr Ashton leading the way! The children will hopefully be eating their own grown produce in no time!

New notice board

A big thank you to Mr Bye as we now have a brand new outdoor notice board. You will find all our information just outside the doors where you come and collect the children. Feel free to have a read whilst your waiting for us to let you in! 😊

The sun has got its hat on!

The field and playground can get very warm in the late afternoon sun, so please can you ensure all children have a hat and sun cream. You are welcome to label a bottle of sun cream and leave it with us if that's easier? The children can bring a change of clothes in to something lighter as the afternoons are warmer if they wish.

Sessions and changes for September?

Same sessions?

After the May half term break we will be sending you all out an e-mail just asking you to confirm if you would like the same sessions for September. Please look out for this e-mail from Lara so we can confirm child/children's sessions for the next academic year.

Payment types.

From September 2018 we will no longer be accepting cheques due to the costs we endure to process them. As I'm sure you're aware we can accept payment in the form of cash, bank transfer, ParentPay and all childcare voucher providers.

End of term - Time to bounce!

On the last day of term the Supper club have arranged for a bouncy castle and ice cream to come to the club for the children to celebrate the last day of term! If you would like to book in for this session, let us know.

Session availability and choices!

We have received a few emails this week asking about sessions and availability we have for the summer and September.... We are pleased to confirm we do currently have availability across all our sessions and you are welcome to book a regular slot or ad-hoc whenever you may need us. You can contact us as late as the day before and if we have the availability, you are welcome to join! Signing up is easy, you just complete the on-line form and we will contact you or alternatively drop us a line on bishopwood@kids-bsc.co.uk or pop in and see us! 😊

Thank you again for your support and we hope the children are all enjoying being part of the breakfast and supper club
